Notes:

1. The list of workmen and employees is as per claims received till 05 December 2019 and therefore, this list is still a work in progress and shall be updated appropriately from time to time.
2. The verification / rejection of the claims has been done on the basis of the proof / supporting documentation of the claims, as shared by the claimant, in accordance with the prescribed documents under the provisions of the Insolvency and Bankruptcy Code, 2016 and Insolvency and Bankruptcy Board of India (Liquidation Process) Regulations, 2016 and corroborated from the records (books of accounts) of the Corporate Debtor. In case of any discrepancy between the details of a claim, as provided by the claimant, and the records (books of accounts) of the Corporate Debtor, the liquidator team has relied upon the records of the Corporate Debtor.
3. Further, in case of inadequate, inconsistent or no proof of claim being provided by a claimant (such as no / incomplete supporting documentation, no claimed amount mentioned in the form / affidavit / declaration, mismatch between overall claimed amount and claim components), the liquidator has reached out, wherever felt necessary, to claimants for appropriate clarifications; meanwhile, reliance has been placed on the records of the Corporate Debtor for verification of claims. In the event of non-availability of data with the Corporate Debtor, the amount has been rejected.
4. **993** out of **982** claims of employee & workmen have been admitted either in part or in whole. The remaining claims have been rejected.
5. If the net liability in the books of the Corporate Debtor is found to be nil, then the amount claimed by a creditor has not been admitted.
6. INR 45,50,32,568/- has been paid to employees which accrued and became due during the corporate insolvency resolution process period of the Corporate Debtor.
7. Settlement of workmen who have filed claims have been done on a pro-rata pari passu basis in terms of Section 53 of the Code.
8. Interest is not admissible unless a court order awarding payment of interest is produced by the claimant, or unless the interest claimed is based on a signed contract between the claimant and Corporate Debtor.
9. TDS is not admissible since it's a part of statutory dues and is payable by Corporate Debtor to the concerned authority.
