1. INTRODUCTION

1.1 Lanco Anpara Power Limited (hereinafter referred to as ‘LANPL’) a company incorporated under the Companies Act, 1956, having its registered office at 411/9, Riverside Apartments, New Hyderabad, Lucknow-226007, Uttar Pradesh, India. LANPL is operating 2 x 600 MW Anpara ‘C’ coal based Thermal Power Station at P.O-Anpara, District Sonbhadra, (National Highway-39) Uttar Pradesh-231225.

In the process of generation of electricity at the Thermal Power Station, fly ash and bottom ash is generated as a by-product. LANPL intends to promote utilization of both fly and bottom ash as resource material. In order to facilitate this, LANPL wishes to utilize dry fly ash and bottom ash on a continuous basis. LANPL invites Expression of Interest (EOI) from interested parties for free of cost fly and bottom ash from the ash silos and ash pond (Belwadah) of 2x600 MW Anpara C TPS of LANPL as detailed below.

1.2 Basic information:

1.2.1 Plant capacity :2x600 MW (Unit 1&2);

1.2.2 Total ash disposal of Unit 1&2; (Average fly ash daily generation 3000 MT per day and Bottom ash at Belwadah 148 lac MT).

1.2.3 The plant is situated at a distance of about 190 Kms from Varanasi

Location: Lanco Anpara “C” Thermal Power Station

Anpara, Sonebhadra , Uttar Pradesh .

Latitude – 24.2052° North

Longitude -82.7965° East

Nearest Railway Station: Krishnshilla (KRSL); 10Km from Generating Station

2. Expression of Interest:

LANPL invites “Expression of Interest (EOI)” from interested parties for “Off-taking of ash from dry ash silo as well as from ash dyke at Anpara C and Ash pond at Belwadah (14 KM away from Lanco Power Station), in as is and where is basis, for utilization and consumption in environment friendly manner as per the guidelines of UPPCB. Interested parties may clearly indicate the inputs required from LANPL.

3. Purpose of this EoI:

Through this EoI, LANPL intends to supply ash generated from its power station; at free of cost to interested and capable agencies for utilization and consumptions in environment friendly manner as per guidelines of UPPCB.

The Interested Parties shortlisted on the basis of their “Expression of Interest (EoI)” will be considered for supply of ash free of cost from Anpara C Thermal Power Station, in as is and where is basis.

4. Role of the Interested Parties & LANPL

- 4.1 In order to promote utilization of fly ash as resource material; and to encourage the fly ash utilization of Anpara C Thermal Power Station; LANPL invites potential bulk users for supply / providing the fly ash to them free of cost for use in their civil construction and other works etc. Help / concessions may be offered to the bulk users in this regard subject to assessment of their genuineness & mutual interest including long term agreement / tie ups for a period of five years or more subject to force majeure conditions such as change in policies etc.
- 4.2 Prospective users may submit their preliminary offers for lifting of fly ash from the dry ash Silo or from ash pond or ash from all these sources. **The offers should include the particulars of company with the background of operation, business where ash will be utilized, tentative plan, proposed quantity of ash to be utilized etc.** Preference will be given to agencies who will off take maximum quantity of ash.
- 4.3 Interested party shall sign a long-term agreement with LANPL for utilization of Fly Ash in environment friendly manner as per the guidelines of UPPCB.
- 4.4 Interested agencies will transport the dry ash in environment friendly manner for utilization / consumption as per their requirement at their risk and cost.
- 4.5 Loading of dry fly ash will be made available by LANPL free of cost in as is and where is basis; from the Silo inside plant at Anpara C TPS. Interested agencies will have to arrange for loading and transportation of ash from ash Silo.
- 4.6 Similarly Pond ash in dry form will be made available by LANPL, free of cost in as is and where is basis at Ash Pond. Interested agencies will have to arrange for loading and transportation of ash from ash pond.
- 4.7 Mode of packing, loading, transportation and utilization must be clearly mentioned by the interested agencies.
- 4.8 **Interested parties may clearly indicate the inputs required from LANPL.**
- 4.9 All the works of ash packing, loading, and transportation must be executed confirming to the EHS rules and regulations of UPPCB.

5. Required Information:

- 5.1 The prospective fly ash users are required to submit particulars of the firm with the background of operation, business where ash will be utilized, tentative plan, and proposed quantity of fly ash to be utilized etc.
- 5.2 The party submitting the EOI shall be bearing all costs associated with the preparation and submission of the EOI and LANPL will, in no case be responsible or liable for these costs, regardless of the conduct or outcome of the assessment/evaluation process.

6. Submission of EOIs:

Interested parties are required to submit all the documents as per the attached format complete in all respects with one original and one authenticated copies for each in hard form under the registered post or hand delivered to the address.
